Report writing - a 2 week homework activity

How has your year been?

Now it's your turn to write your own school report. Plan below using the questions to help then write up on the page overleaf.

What would you write in your own school report about yourself?

Below are three headings. Jot down a few words here to plan a short paragraph for each.

The things I do best as a learner at school (clue: think about the lessons we have, your behaviour, how you get on with other pupils, how you get on with adults around school)

The things I could do better at as a learner at school (clue: think about the lessons we have, your behaviour, how you get on with other pupils, how you get on with adults around school)

Set yourself a challenge that you will try to do next year whilst in year 4 (Think about the things you could do better to give you some ideas and remember to make it something manageable)

Now try to write three paragraphs using this plan to help you. Maximum one page.
