Dear Ms Parsons

Thank you so much for all the letters and posters prepared by your Year 3 children. It is obvious from reading these and looking at the drawings that they really enjoyed their field trip and learnt a lot about the eco-system at the same time.

The footpath along the River Loddon and the river itself is not actually the responsibility of the Parish Council, but is maintained by Hampshire County Council Countryside Access Team. I will pass on the pupils' thanks to them and will also make Parish Councillors aware at the next meeting.

Unfortunately we are not able to display the posters along the riverbank but I should like to include one or two letters and posters in the next Parish Council Newsletter which will be published in September together with a short article about the field trip if you are able to provide me this ([REDACTED])

Once again, please thank your pupils for the effort they have put into the drawings and letters – it is really good to know that they are so aware of the environment and the need to dispose of litter and clear up after our dogs properly.

Yours sincerely

Sandra Tuck
Clerk to Old Basing & Lychpit Parish Council
