## **SCHOOL RUN CLUBS**

### **Team Sports - Monday**

Come along and take part in a range of fun, competitive and team focused sports activities. We will do a different team sport every week ranging from netball to cricket.

### **\*Homework Club – Tuesday**

We will be running a homework club for selected pupils. If you feel that your child would benefit from doing their homework in a school environment with school staff, you must email the school admin office ([adminoffice@st-marys-jun.hants.sch.uk](mailto:adminoffice@st-marys-jun.hants.sch.uk)) and the school will select those pupils who we feel would most benefit.

### **Cooking – Wednesday (please note later finish time of 4:45 pm)**

Try your hand at basic cooking skills where you will cook or bake something different each week to take home. Who will be Star Baker of the week?! **Please note this club runs for half a term.**

**Please note places are limited to 10 pupils per half term so if we receive a high number of requests names will be pulled out of a hat.**

### **Jewellery Club – Thursday**

Come, relax and create! Do you enjoy being creative? At jewellery club we will use a variety of beads and resources to make necklaces, bracelets, keyrings and many other beautiful creations! You can make things for yourself or as gifts for others. We will start our term by making a jewellery box for you to store your creations in. Please note this club runs for half a term.
