Read the information, then write a list of facts about gorillas.
Use bullet points.

Gorillas are the largest living primates, and are native to Africa. They are typically divided into two groups, the mountain and the lowland gorillas. Gorillas are generally herbivores, and usually eat vegetation such as fruit, roots and tree bark. Gorillas live in groups called troops or bands, and have as many as 50 members in their bands. The troops are led by a dominant male called a silverback. Gorillas can live about 35 years in the wild.

Can I compare life today (during Covid-19) with WW2? Read through the various information in and compare the similarities and differences between the two times – find 3 things that are similar (or more) and 3 things that are different (or more). One has been done for you. Use your bullet point skills you learnt yesterday.

Similarities	Differences
<p>The Covid-19 is effecting nearly every country in the world and so did WW2</p> <hr/> <p>Some people are wearing face masks today, back then everyone carried a gas mask</p> <hr/> <hr/> <p>Shops were half empty of things to buy and what was available was rationed – we have had toilet paper shortages and also we can't buy yeast at the moment</p> <hr/> <p>The peaceful routine of everyday life was shattered but now things are still peaceful but the normal routine is shattered.</p> <hr/>	<p>WW2 was a fight between countries, Covid-19 is a fight against a virus.</p> <hr/> <p>Children and some women were evacuated to the countryside BUT we have some people who have to stay home and aren't allowed away from home at all which is similar but also different to then</p> <hr/> <p>There are no Bomber planes flying over and we do not have to black out our windows.</p> <hr/>
<p>There may have been different similarities and differences but these are some of the ones we found from the sheet we provided.</p> <p>Your 5 facts that you liked will vary of course</p>
