St Mary's

**How will homework
be organised?**

Handed out on Thursday and collected in on the following Wednesday.

Daily homework skills cards (on a needs basis) and there may be Anton tasks (children have their own login details).

The homework will be set on Google Classroom to enable online completion.

Children need to complete entries in their reading record at least five times per week - please still read with your child.

Please do not labour over homework. If there is a problem, stop and see your child's teacher. Communication is vital!
