

WELCOME TO YEAR 5!

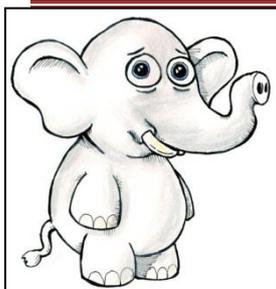

We are really looking forward to September, our new topics and getting started on the second half of your time at St Mary's! Best wishes for the summer,

Mrs Parsons / Mrs Candy
Brunel Class

Miss Sherlock
Mitchell Class

White Class & Team Leader

HOME LEARNING TASKS

Below are the details of the home learning for the summer. Practising your reading, maths and writing will help you keep going and give you the best start in year 5. Remember you can still access Education City too all summer.

*How do you eat an elephant?
A piece at a time.*

Just remember to take it a piece at a time and little by little to get it done.

- READING:** It is vital that you keep up with your reading over the summer holidays. We have enclosed a mini book review sheet for you. **Please complete it** for a favourite book that you read over the summer. In addition we have attached **a log for you to fill in a record of every book** etc that you read over the summer which your parents will need to sign. Have you signed up for the summer reading challenge at either Chineham or Basingstoke library yet?
- MATHS:** We suggest you try to do three addition and subtraction questions a week using your formal method (column addition or column subtraction). They should be three digit numbers you are using and you could create these using a 6 sided dice for some easier questions or just make them up if you prefer.

Examples:

| | H | T | U |
|-------|---|---|---|
| | 6 | 5 | 3 |
| + | 2 | 3 | 9 |
| <hr/> | | | |
| | 8 | 9 | 2 |
| | | 1 | |

| | H | T | U |
|---|---|---|---|
| | 7 | 9 | 3 |
| - | 3 | 8 | 4 |
| | 4 | 0 | 9 |

Do these where you wish.

It is also essential to keep working on learning your multiplication tables. By the end of year four you should know them all! **Please complete your multiplication and division worksheets** by doing some regularly. www.teachingtables.co.uk (needs flash player) or www.topmarks.co.uk/maths-games/hit-the-button are two excellent websites to look at too if you want some practice on the move.

- WRITING:** So what were your favourite parts of the summer? **Complete a diary entry for one best day** on the paper provided (continue on extra sheets if you wish) and if you would like to include any photos or tickets from the days then all the better! Think carefully about your reader as you write – perhaps write from your point of view or from the adult you were with or from the point of view of someone else who was there e.g. the ice cream vendor at the beach or your pet dog etc. Make it interesting! We will be using these to share with our new class buddies over the first week back. You can make it up if you want to, the more entertaining the better.

MAKE SURE YOU HAVE LOTS OF FUN AND REST AS WELL THIS HOLIDAY, WHATEVER OR WHERE EVER YOU ARE.

MY BOOK REVIEW

| Quick facts | What I think |
|---------------------------------|---|
| Book Title: | What was the book about? |
| | |
| Author: | |
| | |
| Mini - Picture (if you want to) | What did you think of the book and why? Likes and Loathes |
| | |
| | |
| | |
| | Why should some read this? Who else might enjoy a book like this? Marks out of 10 |
| | /10 |
