21st March 2025

Dear Parents and Carers,

It has been lovely to see a sea of red today across the school in aid of Red Nose Day! Thank you for your generosity, so far the school has raised over £290 for this great charity, with donations still coming in. The donation page will stay open for the next few days. Donations can be made through this link:

https://www.justgiving.com/page/st-marys-ce-junior-school-old-basing-13?utm_medium=FR&utm_source=CL

Today we have had a great 'Science Day', thank you Mrs Stephens for arranging fun activities and visitors for us all, please see Mrs Stephens' update for more information.

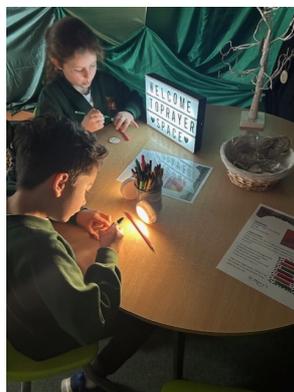

Last week Year 5 enjoyed trips to QMC Science centre where they tried out different investigations into forces. They looked at gears, levers and pulleys and enjoyed seeing QMC too! Year 5 have also completed their swimming lessons this week, we have been very impressed at the progress all pupils have made.

Year 4 got to visit the 'French Café' last week. This is one of our favourite enrichment days! Please do read Madame Quick's report later in this newsletter- thank you Madame Quick for organising such a fun morning.

Austen class performed amazingly in their sharing assembly last week, they taught us so much about the Romans. Well done Austen! This week Davies class entertained us, it has been lovely to see performances from our youngest and oldest pupils recently. We believe that these assemblies are a really important experience for our pupils. For some children, confidence comes naturally, however others need more support and encouragement in order to develop into confident individuals. These sharing assemblies provide our children with a safe environment where their confidence can grow.

Over the last two weeks we have enjoyed visiting our Spring Term Prayer Space. A prayer space is an area that has been transformed for a few days with a range of creative activities that encourage personal reflection. There was a Lent and Easter theme this term with activities that gave the children an opportunity to reflect on their own qualities and a chance to thank and think of others in our community and around the world.

French Café

Our Year 4 children enjoyed a morning of French delights last Wednesday. All children had the chance to spend their French lesson au café St Mary's! The children entered the café and chose where to sit and waited to be served. Having studied a menu, they were able to choose from a selection of French food and drink, but they had to ask for their order in French. They were amazing and spoke really confidently.

The children also had a morning of singing French songs, creating a French menu of their own and they were also able to experience an accordion demonstration, a big thank you to Mr Lewins for this.

A huge thank you to The Costello School and their Year 9 pupils for assisting us too. A special thank you must also be said to The Street Bakeshop, Waitrose Basingstoke and Tesco Chineham for our amazing food donations. Merci beaucoup!

Madame Quick

Science Day

All pupils got to enjoy a range of activities promoting Science in the real world as part of our Science Day. Our aim was to celebrate Science and encourage children to see how science features in our everyday lives. The children researched famous scientists, from the very well-known (for example Stephen Hawking, Leonardo de Vinci) to the less well-known but equally vital (for example Stephanie Kwolek, Margaret Hamilton). Each year group had a special investigation to undertake covering a very wide range of subjects: Murder Mystery chromatography in Year 6, creating straw rockets in Year 5, planting 'pants' to look at soil quality in Year 4 and testing reaction times with 'sheep' herding in Year 3. We were also lucky enough to welcome an army of volunteers to talk about their own work and how science helps them and must extend our thanks to all who came. The children heard from a diverse array of professions including an astronomer, ecologist, cancer trial scientist, engineer, data scientist, year 3 heard all about the science of music and Year 6 had help from Costello students with their investigation work! To top it off a fiendish quiz led to much debate and prizes!

Mrs Stephens, Science Leader

Easter Raffle

Children can enter our annual Easter Egg Raffle from next Wednesday until Thursday 3rd April to be in with a chance of winning an Easter treat kindly donated by the staff here at St Mary's! Tickets will cost 50p and will be available from the office at break time.

This was enjoyed last year by our pupils and they have enjoyed using the playground equipment purchased with the money raised last Spring. All money raised will go towards replenishing small playground play equipment for us all to enjoy during the summer months!

The raffle will be drawn during our final assembly of the term on Friday 4th April.

Staffing Update

As parents of White class are already aware, Mr King will be leaving St Mary's at the end of this term to pursue career opportunities outside of education. Mr King has been an invaluable member of our teaching staff for over 10 years and his dedication has greatly benefited our pupils. We are grateful for his contributions and wish him all the best in his future endeavours.

We are delighted that Mr Paul Rimell will be teaching White class for the summer term. Mr Rimell worked at the school as class teacher for many years and since his retirement he has been a regular supply teacher for us, thus he knows White class and the school very well.

I am sure you will all wish Mr King all the best for his future.

End of term Church visits

You are welcome to join us at our end of term church visits on Friday 4th April. Classes will visit church at the following times. Please contact the school office if you are able to help walk down to church with your child's class.

09:15am – Russell, Mitchell, Paulet, Austen

10:00am – Nightingale, White, Nelson, Conan Doyle

11:00am – Davies, Brunel, Wellington, Dickens

Attendance

As of today the school's overall attendance stands at 97.1%

We have seen an increase in attendance from some pupils who were previously persistently absent, thank you for your support in securing good attendance for your child.

Safeguarding – Tik Tok

Although you have to be 13+ to have a TikTok account, we are aware that many of our older pupils do use this platform. Please make sure you are aware of the following if setting up accounts for your child.

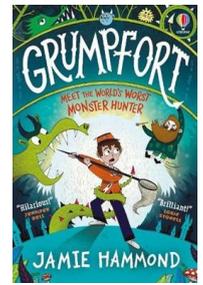

- TikTok is a social media platform that allows users to express themselves through dancing, lip-synching, comedy sketches, makeup tutorials, and by telling stories about their lives in short videos that can be shared with others in the TikTok community.
- Videos are between 15 seconds and three minutes long.
- There are also a range of TikTok Influencers who create videos which get viewed millions of times.
- Age requirements 13+ years.
- To sign up for TikTok, you must verify that your age is over 13.
- TikTok's safety centre has advice and guides on the content that is and isn't allowed on the app. They also provide information on the tools and controls that users can utilise to manage their experience within the app.

New book recommendations

Grumpfort, by Jamie Hammond. Interest age: 7+ Reading age: 9-11

Bogfoss is surrounded by a dark wood filled with monsters of all shapes and sizes. It is up to the Wardens to protect the village from attack; a team of monster catchers and expert fighters... except for one. Meet Mo, the newest (puniest) Warden and the hero of our story.

To prove his doubters wrong, Mo sets out hoping to catch himself a fierce beast but ends up trapped inside Grumpfort, the home of monsters. He is forced to join a ragtag team of creatures on a mission to catch the terrifying Grumpsatcher. As the adventure unfurls, he realises that the monster's terrible reputations might not be true after all. Perhaps with his help there can be peace in Bogfoss at last.

Wild Magic: Legend of the Black Lion, by Abiola Bello. Interest age: 6-7 Reading age: 6+

Twins Misha and Ziggy have secret superpowers! Misha can talk to animals and Ziggy can shapeshift into them.

When their dad, a wildlife TV presenter, takes them to Ethiopia with him, they're so excited. Maybe they'll see a black lion! But when they discover poachers are after the lion, suddenly the twins' powers put them in great danger. Can they keep the animals – and themselves – safe?

Governors' Corner

The provision in schools for children with Special Educational Needs and Disability is currently in the national news. So I was pleased to be able to see first hand the SEND provision at St Mary's Junior School. I recently had a morning walking around the school with Miss Bunkle (the Inclusion Manager/SENCO) visiting each class and observing the teaching, and in particular the work with SEND pupils including those also with an EHCP. It was good to see in many cases these pupils joining in with the main class activity, while in others special attention and teaching was being given either by a learning support assistant or by the class teacher. While some of these pupils are of course working at a level well below that of their peers, there was good evidence of progress in their work. It was helpful also to be able to see the generally very good behaviour of all the children in class.

Philip Hiorns (Foundation Governor)

F.O.O.B.S. News

Hello from F.O.O.B.S! Thanks so much for all your donations for the Easter Fair's chocolate tombola. If anyone is able to supply baked goods (homemade or shop bought) for the refreshments stall, please bring in to the infant school on Friday 28th or simply bring with you when you attend the fair! (Ingredients lists please for the homemade items and strictly no nuts of any kind please)

Parking

Please can we remind you again to park considerately on local roads. With an increasing number of pupils both here and at the infant school living out of catchment, we appreciate that it is not possible for many of our families to walk to school. Please can we ask you to park considerately to keep everyone safe and to ensure that our neighbours are not blocked in or out.

Coffee Mornings and Parental Support

Parent and Carer Coffee Mornings

Our half-termly coffee mornings are an opportunity for parents to get together, share ideas and challenges over a cup of coffee (and biscuits!) Miss Bunkle (our SENCo), Mrs Alvarez (our ELSA) and Mrs Squire (Behaviour Support LSA) are also on hand to chat about issues.

Meet us 9am to 10.30am on:

Tuesday 1st April

Tuesday 20th May

Tuesday 8th July – joint with Old Basing Infant School

Gemma Lillywhite
Headteacher

Dates for your Diary

27th Mar – Wellington Class sharing assembly 2:45pm, parents/carers welcome

29th Mar – Easter Fair 1-2:30pm, 3-4:30pm OB infant school

1st Apr – Parent & Carer coffee morning 09:00-10:30

1st Apr – Year 6 parents SRE information evening 3:30pm, details to follow

4th Apr – End of term Church visits, timings as follows:

09:15am – Russell, Mitchell, Paulet, Austen

10:00am – Nightingale, White, Nelson, Conan Doyle

11:00am – Davies, Brunel, Wellington, Dickens

4th Apr – Last Day of term

7th-21st Apr – Easter Holidays

22nd Apr – First day of new term (summer term after school clubs start this week)

23rd/24th Apr – Year 3 visit to Gilbert White House, details to follow

25th Apr – F.O.O.B.S Year 4 Disco 5:00-6:30pm

1st May – Conan Doyle class sharing assembly, 2:45pm, parents/carers welcome
