

One Family – Achieving more together

Child Friendly version of the Safeguarding Policy

What is Safeguarding about?

All of the adults around you think that your health, safety and welfare are very important. In our school, we respect our children and help to protect their rights, along with our central value of 'One Family' – where we expect that everyone should treat others as they would wish to be treated. As well as supporting you to make the best educational progress that they can, we also teach you how to recognise the risks in different situations and how to protect yourselves and stay safe.

How will we try to protect you?

We try to provide a safe environment for you to learn in. We want to help to ensure that you stay safe at home as well as in school. We think that it is important for you to know where to get help if you are worried or unhappy about something

Need to talk?

You can talk to any adult in school if you need to but the following people have a special role to play in school:

Ms Welch - Designated Safeguarding Lead

Mrs Lillywhite, Mr Rundle and Miss Bunkle – Deputy Designated Safeguarding Leads

Is someone bullying you? Is this happening every day?

Has someone said something to you that upsets you?

Your body belongs to you. If you don't like the way someone has touched you then tell a trusted adult.

Has someone hit, punched or smacked you or hurt you in anyway?

DO NOT be scared to tell Someone. We will always listen!
You must tell someone at school so we can help you. You can tell:-

- ✓ The Teachers
- ✓ The Headteacher
- ✓ The Teaching Assistants
- ✓ Your Dinner Ladies
- ✓ Designated Safeguarding Leads

Do NOT keep it a Secret!

Is someone trying to give tablets, cigarettes, drugs or alcohol?

Stay safe when using a mobile phone or when using the internet. If someone you don't know tries to speak to you, shows you a video or photo or asks you to do something that makes you feel uncomfortable, then tell someone.
