

Dear Parents,

With the unpredictable weather at present (just in time for the bank holiday) please will you ensure your child has a shower proof coat that fastens with them every day.

Best wishes,

Mr Rundle

Mrs Candy

Mrs Bowditch

Home Learning– 2 weeks to do this one...

In our art learning this half term we are going to be creating pictures of trees using different mediums (sketching, ink blowing and pointillism).

We would like you to use natural materials to create a collage of a tree. Pictures can be either A5 or A4.

Please make them portrait.

Mr Rundle's top tip is to use sticky back plastic on the top of the finished piece to help all those natural materials stay stuck on. If you wanted to send your child in with a sandwich bag to collect some natural materials from around the edge of the playing field and playground you can.

Something extra? We will be learning in our science about plants as well and if you or your child is not particularly inspired with the art (which we would still like completed) the following games on Education city are worth a look in the science section of year 3. "Granny's Garden" is one, "Flower power" is the other.

As always - Do please keep working on those multiplication tables and reading regularly too.

Act of Worship theme next week:
Perseverance

UNCRC Article next week: Article 29 - Every child has the right to an education and the responsibility to work hard to realise their dreams for the future

Home: School Communication

21st May - Class and Group Photographs
 21st May – School concert 6:00pm
